

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay. The examiner has indicated that the case contains allowable subject matter.

The claims have been amended along the lines proposed by the examiner. It is noted that some of the proposed amendment would have badly garbled the claims so that the actual amendments made follow the suggestions somewhat loosely.

It is entirely possible that the claim language still needs some tweaking. The examiner is invited to telephone the undersigned to work this out.

Respectfully submitted,
K.F. Ross P.C.
